To whom it may concern

Palmproducts sold by Bressmer & Francke (GmbH & Co.) KG are mainly trading products.
We do not buy directly from oil mills or refineries in the palm growing countries.
Our suppliers are traders, packers or refineries located in Europe.

We regularly ask our suppliers to provide their mill list. Due to several suppliers and products we have almost all palm oil mills are possible.

For 2022 please use following information:

<https://rspo.org/members/29>

<https://rspo.org/members/1129>

<https://vandemoortele.com/en/sustainability-documents>

A Universal Mill list can be found here:

<https://www.rainforest-alliance.org/business/certification/the-universal-mill-list/>

Within 2022 we supplied 15.885kg RSPO SG certified palm products, 80.150kg RSPO MB certified palm products and 75kg without certification.

We are sure with this information we provide transparency and trust in our responsibility for sustainability within the palmoil sector.
